**Tax Rate for 1950 is Set at  
13 Mills on Real  
Estate**

### THE TRASH CONTRACT

**Police Chief Arner Reports  
14 "Stop" Sign Viola-  
tions in January**

By Staff Correspondent

LANGHORNE, Feb. 4—Residents of Langhorne borough over 21 must pay a personal tax of \$10 annually, according to an ordinance passed last night at the borough council's regular meeting. There were no protests forthcoming from the few citizens sitting in as observers to the proceedings.

The tax rate for 1950 was set at 13 mills, the same as last year's rate.

Ferd Reetz, former trash collector, and Elwood Balderston submitted bids for the trash collection contract. Mr. Balderston was awarded the contract for his bid of \$900.

Police Chief William Arner reported 14 "stop" sign violations in January, one right-of-way violation, two accidents and three disorderly conduct cases. A motion was passed to increase the chief's pay rate from 75c to \$1.09 an hour. The matter of irresponsible persons owning and shooting air rifles and 22-caliber rifles in the borough was discussed, with the question being referred to the borough solicitor for advice on possible registration or prohibition of small arms within the borough.

Following the report of a number of complaints regarding dogs in Langhorne, council decided that State Dog Law Enforcement Officer Matthews should be requested to investigate.

Secretary William Palmer read a letter from the Philadelphia Transportation Company regarding the re-routing of their buses to prevent traffic tie-ups at Bellevue and Maple avenues. The company claimed that investigation showed no immediate necessity for changing the route of the bus.

In the absence of Borough President, Paul Bennett, Councilman J. R. May presided. All councilmen were present except Mr. Bennett and Myron Harris.

### Penndel Memorial Plaque Is Now Being Prepared

PENNDIEL, Feb. 4—At its meeting on Thursday evening, the Penndel Recreation Board reported that the bronze memorial plaque which will be placed at the recreation field, is being manufactured and should be available for dedication this spring.

Russell W. Brown, board chairman, reported that representative of the Department of Agriculture inspected the field and has recommended another application of fertilizer and a re-seeding program this spring. The board will act on the recommendations.

Mr. Brown reported that swings, see-saws and other equipment have been taken down and stored where possible. Some equipment is being painted. The program to raise the \$2,000 deficit is encouragingly underway, he said.

### District President is To Visit Legion Auxiliary

American Legion Auxiliary members were informed last evening that the southeastern district president will pay a visit to Bracken Post Auxiliary in April. The February meeting was in charge of Mrs. I. J. Hetherington, Sr. She called upon Mrs. Fred Bryner for minutes; and upon Mrs. Robert Rue for treasurer's report.

Mrs. Grace Dettmer, in telling of rehabilitation work, mentioned sending a gift to an "adopted" man at Coatesville Hospital; and stated that nut cups are being made for hospital trays. Under child welfare, members were told that a local needy family is being aided.

Mrs. Marvel Durham informed there are now 123 members. Report by Mrs. Rue was that during the past month 982 coupons were collected.

A "birthday party" was set for March 29th. Report on the Montgomery-Bucks County meeting was by Mrs. Grace Dettmer. The February meeting of the council will be at Jenkintown.

Donation of \$5 was made to the Boy Scout fund. February pinochle party is scheduled for the 29th with Mrs. Earl Hibbs as chairman.

### Name Committeemen To Conduct A Bake Sale

The February meeting of the Ladies Auxiliary of Goodwill Hose Co., No. 3 was held Wednesday evening with Mrs. Roy Carter presiding.

It was decided to conduct a bake sale on February 18th with the following committee named: Mrs. Daniel Smith, Mrs. E. Johnson, Mrs. A. Conrad, Mrs. G. Gilbert, Mrs. F. Bonner and Mrs. R. Vandegrift. A donation was given to the infantile paralysis fund.

A social time was enjoyed with refreshments served by Mrs. Joseph Mancuso, Mrs. Walter Garretson and Mrs. F. Lippincott.

### ROBBERIES OCCUR IN BRISTOL TOWNSHIP

**\$150 in Coins Taken From  
Croydon Manor Meat  
Market**

### TV SET AT W. BRISTOL

Bristol Township Chief of Police Joseph Seader was called upon to investigate two robberies in Bristol township during the past 36 hours. One occurred at a Croydon Manor meat market, the other at a West Bristol home.

At the meat store of Jesse Rogers, Bristol Pike, Croydon Manor, a thief or thieves gained entrance by cutting a pane of glass from the lavatory window, it is stated, then forcing four iron bars.

Approximately \$150 in quarters was stolen from the coin box attached to the electric meat refrigerator. The box is the type where coins are deposited to provide electric current to operate the refrigeration system. Nothing else in the store was touched, according to Seader.

Although the discovery was not made until 10:30 yesterday morning when Rogers attempted to insert another coin, it is believed the robbery took place about three a. m. At that hour a neighbor was aroused by a noise, and thinking possibly someone was attempting to enter his place went to investigate. He heard a car pull swiftly away.

At the home of Mr. and Mrs. A. Welsh, Broadway, West Bristol, a television set purchased 11 months ago was stolen. The Welshes had left at seven o'clock to shop in Bristol borough. Returning at 8:45 they found that the plate glass in the front door had been broken and the door then unlocked. After taking the \$250 television set from a living room the thief or thieves locked the door as they left. Welsh informed Chief Seader that he always leaves the front porch light on when out in the evening, and last evening was the first time that he had not turned the porch light on when going away after dark.

### REQUEST BIDS

The Delaware River Joint Toll Bridge Commission will receive bids on March 2nd, for the construction of approximately 6,700 square feet of two-inch concrete and steel sidewalk floor on the Centre Bridge, between Centre Bridge and Stockton; and for the construction of 14,000 square feet of five-inch grating roadway floor on the bridge between Yardley and Wilburtha.

### Films Depict Basic Functions of Aircraft

Aviation films made at NACA laboratories at Langley Field, Va., of an educational nature, were shown at Wednesday evening's Aeromodelers meeting. Information pertaining to the basic functions of aircraft and what makes 'planes fly were taught by these films. They were shown for the control line model fliers since little knowledge of aerodynamics can be taught in building and flying a conventional type control line model in level flight. Films of this type will not be shown at future meetings because of lack of interest among the juvenile age group, it is announced.

Club president William Rasmusen announced to the group that if sufficient help can be secured to conduct the large model contest to be held here in Bristol, May 21, junior members of the Aeromodelers would be allowed to compete.

Guests at the meeting were Mr. and Mrs. Ralph Biddle, of the Hattboro Aeromodelers.

Latest members to join the club are: Richard Morgan, Robert Coia, Howard Bodzyk, John Coppage, Claude Schadt, and Warren Cross.

There will be a model flying session tomorrow afternoon at Wilson Field. All types of control line models except speed models will be flown if weather permits.

### SIGNS A DECREE TO DISCONTINUE DIVORCE

**Court Agrees In Wilcox  
Case Upon The Advice  
of Counsel**

### THE DEPASQUALE CASE

DOYLESTOWN, Feb. 4—A decree to discontinue a divorce involving a Quakertown woman and her husband has been signed by President Judge Hiram H. Keller in the court of common pleas.

After the petition for discontinuance was filed by Hope Anna Wilcox vs. Ralph Clyde Wilcox, of the Quakertown section, the court agreed, upon advice of counsel, to sign the decree. The action was begun in October, 1949.

Judge Keller asked counsel for the complainant if the grounds were adultery and when informed that they were indignities and that all the costs would be paid, authorized the discontinuance.

In the divorce action of James DePasquale versus Dorothy Eileen DePasquale, of Bristol, the complaint has been re-instated. The divorce was originally begun in December, 1949.

Nine inventories, the largest of which appraises the estate of a Yardley woman and the second largest which inventories the estate of a Buckingham decedent, have been filed in the Register of Wills office.

The largest was that of Emeline Stockly Yeager, Yardley, \$20,104.52, and the second largest, Anna B. Continued on Page Two

### DIST MEETING

On Monday evening, a meeting will be held in King Hall, Andalusia, of Bucks District, No. 7, Patriotic Order of Americans. Camp 319 will be hostess to Camp 89, Bristol; Camp 197, Yardley; and Camp 297, Morrisville. The meeting is called for nine o'clock, therefore session of Camp 89, Bristol, will be called to order at 7:30 p. m., instead of eight o'clock.

## A SUMMARY OF THE NEWS

A high-ranking British atomic scientist, Dr. Klaus Emil Julius Fuchs, was accused by Scotland Yard in London yesterday of having betrayed atomic secrets. Dr. Fuchs, 38 years old, who was born in Germany, is under arrest. He was closely associated with the atomic bomb project in this country from 1943 to 1946. He was accused of having communicated to unidentified agents vital atom data in February, 1945, and again in 1947.

Washington was gravely concerned by what was officially called a "serious" breach of United States security. It was disclosed that Dr. Fuchs had possessed basic data on the projected hydrogen bomb development. The case was discussed at a Cabinet meeting and the Joint Congressional Committee on Atomic Energy began an inquiry.

Economic Cooperation Administration Hoffman said that although Europe's progress toward trade liberalization had been disappointingly slow, Congress should appropriate the \$3,100,000,000 requested by President Truman for the third year of Marshall Plan aid. Mr. Hoffman said he was still optimistic that a European currency union under the Marshall Plan could be organized.

A new political crisis confronted France as the Socialist members of Premier Bidault's Cabinet withdrew

in a dispute over a cost-of-living bonus to workers. M. Bidault, declaring he would not resign, summoned the Assembly into special session Tuesday for a general policy debate to be followed by a vote of confidence.

King George signed a royal proclamation dissolving Parliament, officially inaugurating the campaign for the election to be held on February 23rd.

In Germany, United States High Commissioner McCloy will discuss with his chief aides today measures to counter the increasing pressure by Soviet authorities on Berlin's communications.

Moscow's proposal that Emperor Hirohito be tried as a war criminal was rejected by the State Department as a move intended "to divert attention from Soviet failure to repatriate or otherwise explain the fate of over 370,000 Japanese prisoners."

Premier Yoshida said Japan was prepared to open commercial relations with Communist-dominated China when it was permitted to do so by General MacArthur. Peiping protested anew to Secretary General Liao against the "unjustified" delay in ousting the Nationalist representatives and admitting its own to the United Nations. Continued on Page Two

### PROGRAM ON INDIA INCLUDES TWO FILMS, AND DISPLAY OF BRASS-WARE, OTHER ITEMS; MRS. P. GLEICHMAN ADDRESSES TRAVEL CLUB

Entertained by one of their co-members, Mrs. Paul H. Gleichman, chairman of motion pictures committee, the women of the Travel Club yesterday were delighted with the display of Indian brass-ware, silver pieces, carved articles of ivory and wood. They were further entertained by first-hand information on these numerous items by Mrs. Gleichman, who with her husband spent several years in India, engaged in missionary endeavor.

The program, as outlined by Mrs. Gleichman, included two excellent films, in color and with sound, showing high-lights of the 22,000 mile trip by the Thaw-Asiatic Expedition from Paris, France, to Bombay, India.

The first reel, dealing with Persia, depicted the difficulties of getting the motorized equipment across the shifting desert sands and through the rugged mountain passes. The shearing of sheep, carding of the silky wool, dying and weaving of the wool for priceless Persian rugs was graphically portrayed; other scenes were of the Mohammedan mosques with their intricate tile work and attractive minarets. The second film was titled "The Great Silk Route," and life in Damascus, Bagdad, and other cities, as well as in the rural areas was portrayed. This film included a sumptuous feast spread on gorgeous rugs beneath a tent, the Thaw Expedition members being honored guests. The trek through the Kyber pass was the high-light of this film.

Mrs. Gleichman spoke briefly of the importance of motion pictures and of their influence on the lives of all, particularly the children and 'teen-agers.

"It is estimated that 50,000,000 attend the 'movies' each week" she

informed. She stressed the advisability of parents accompanying the children to the shows so they might discuss with them later the moral and ethical issues of the films, and give guidance. She named some pictures that are listed as especially fine, with those suitable for children being designated.

Mrs. Gleichman's display of brass-ware from various parts of India included plates, vases, snuff box, finger bowls, primos stove, dinner gong, drinking vessels, candle sticks, etc. Some of the designs were briefly explained, with attention called to certain pieces decorated in color, these being hand-drilled then filled in with paint.

A hand-carved teakwood tray; an attractive basket; leather purse; ivory items proved of interest also. Musicians who pleased with vocal and instrumental selections were Mrs. Vincent J. Newman, contralto, of Olmsteadville, N. Y., and her brother, Fred Hermann, baritone, of Middletown township. The two sang Brahms' "Lullaby," as Mrs. Newman accompanied on the guitar. Mr. Hermann sang "Trees" and "That Lucky Old Sun," accompanist being Mrs. Joseph J. Korz.

Members were greeted upon arrival by Mrs. Melvin R. Cox and Mrs. David M. Sheerer, Jr., who later presided at the tea table.

The business session was short, Mrs. Elwood Goslin, president, reading a prayer in poem form. This was followed by minutes of the last two meetings, given by Mrs. Michael A. Harritt. Information was received that lunch-room facilities of the Phila. New Century club are available to Travel Club members.

Several announcements were made. Among them was a program Continued on Page Four

### TRAFFIC LIGHT POLES ERECTED IN BENSALEM

**Will Place Seven Lights At  
Intersection of Lincoln  
Highway, Street Road**

### TAR, STONE CONTRACT

CORNWELLS HEIGHTS, Feb. 4—Poles have been erected for traffic lights which are to be installed at the intersection of the Lincoln highway, Street road and Trevoze road. It was made known at the meeting of Bensalem township supervisors on Thursday morning in the Rigby building, here.

Seven lights will be placed in all, according to William White, chairman of the board, who presided at the session. Four are to be on the Lincoln highway, two on Street road, and one on Trevoze road. Supervisors are now awaiting delivery of some of the material for the project, and wiring bids for the project are being sought.

Bids for tar and stone for highway work in the township this year were opened. Contract for tar went to the Koper Co., Pittsburgh; for gravel to Warner Sand and Gravel Co., Morrisville; and for stone to Rushland Quarry, Rushland.

**TAXPAYERS TO MEET**

### LEWIS SAYS MINERS DON'T WANT A FACT-FINDING BOARD

Washington—John L. Lewis told President Truman today the mine workers do not want a coal fact-finding board to settle their contract battle with the mine operators. The United Mine Workers chief warned, however, that it is doubtful the \$50,000 soft and hard coal miners would work under a Taft-Hartley Law anti-strike injunction. Lewis, in a letter to the White House, called the 80-day injunction weapon of the Labor-Management statute "a legal blackjack." The union leader added: "It is questionable whether one could postulate that such mass coercion would insure enthusiastic service from grateful men." Lewis replied to President Truman's coal strike peace plan and reports in the coal fields that a general strike of the mine workers may occur next week. The coal operators already had accepted the White House proposal for a 70-day truce and resumption of normal production with submission of the industry's contract dispute to a special Presidential fact-finding board.

### Pipersville Man Seriously Injured

Phillipsburg, N. J.—Hans Blankensee, 57, of Pipersville, Bucks County, was hurt seriously yesterday when his car was struck by a train at Frenchtown, near Phillipsburg.

Blankensee was extricated from the wreckage by members of the Frenchtown American Legion ambulance and taken to Warren Hospital in Phillipsburg.

### Claim No Nation Should Use "H" Bomb

New York—A group of American University atomic scientists declared in a joint statement today that in their opinion "no nation has the right to use such a bomb" as the hydrogen bomb, "no matter how righteous its cause." They said the H-bomb "is no longer a weapon of war, but a means of extermination of whole populations." "Its use," they said, "would be a betrayal of all standards of morality and of Christian civilization itself." They said the bomb will not give "positive security" to this country because "it is certain that the Russians will be able to make one, too."

## BRISTOL TWP. TRIO ENTERS A SUIT FOR \$15,850 DAMAGES

\$5,000; May Burton, \$850**

### NAME A TRENTONIAN

**Result of Motor Crash At  
Old Route 13 and  
Green Lane**

DOYLESTOWN, Feb. 4—Three Bristol township residents have entered suit against a Trenton, N. J., man for damages as the result of an accident which occurred in Bristol December 9, 1948. The triple count automobile damage suit aggregates \$15,850. It has been filed in the court of common pleas here.

The defendant, Perry Albert, 2780 S. Broad street, Trenton, N. J., is being sued by Miss Violet Lovett, Edgely, for \$10,000; William Lovett, of Edgely is seeking \$5,000; and May Burton, owner of one of the vehicles, is claiming \$850.

According to the statement of claim in the office of Prothonotary Joseph A. Keating, the accident happened December 9th, 1948, when a car owned by May Burton collided with a vehicle driven by the defendant on Farragut avenue and Green Lane, Bristol.

According to Bristol police records at the time of the accident, a car operated by Perry Albert was going south on Green Lane, while a car driven by Miss Lovett was travelling east on old Route 13. It was stated in the report that the Albert car failed to stop at the intersection on Green Lane where there is a "stop" sign. The Lovett car was struck in the center on the left side, causing it to turn over twice. The left side and top of the machine were considerably damaged, while the front of the Albert car was also damaged.

An Andalusia couple, John Reinhardt and Karolina Reinhardt, also known as Mrs. John Reinhardt, Lowell ave., Andalusia, Bensalem twp., has been named the defendant in an action in assumpsit by Strawbridge & Clothier Department Store, Philadelphia, the claim being dated January 2nd, 1948

**SATURDAY, FEBRUARY 4, 1950**  
**COLOR TV — PRICE \$4.30**  
Since last summer the Colum-  
bia Broadcasting Company has  
been running a very restricted (it  
thought) color television experi-  
ment. Until the other day it be-  
lieved there were only 25 receivers  
for its color transmissions —  
eight on public view in Washing-  
ton, six in the homes of Federal  
Communications Commissioners, and  
11 experimental sets in New  
York.

The working agreement be-  
tween the FCC, the set makers,  
and the broadcasters has been one  
of taking time to perfect color  
TV and to protect makers and  
owners of present black-and-white  
sets against too-rapid obsolescence.

In August the Radio Corpora-  
tion of America announced its  
own new color process for use on  
ordinary sets through a converter.  
In September the Tele-tone Radio  
Corporation said it was ready to  
mass-produce a color television  
converter to sell for less than  
\$100. Nothing much has been  
heard since from these quarters.

All parties have been flabber-  
gasted, therefore, by the casual  
achievement of a young electrician  
in Roselle, N. J. Using "an old  
electric motor, two slats of wood,  
and some colored cellophane" he  
has been quietly tuning in on the  
CBS color TV channels. He told  
some CBS officials that his home-  
made converter cost him a total  
of \$4.30. They were amazed at  
its "utter simplicity."

So it seems the vari-colored  
TV cat is getting out of the FCC  
bag. It wouldn't be surprising to  
pick up Popular Mechanics some-  
day and see how to Make Your  
Own Color Converter in Your  
Cellar Workshop. The federal  
authorities, of course, might get  
the broadcasters to rig up some-  
thing to discourage unwanted re-  
ception. But it is difficult to see  
how color TV can be postponed  
much longer.

**HOME TO ROOST**

A Missouri farmer with a per-  
verted sense of humor tied a stick  
of dynamite to a huge hawk he  
had captured. He lit the fuse and  
turned it loose. Instead of flying  
away, the hawk made several  
horrorful passes at him. Then it  
alighted on his barn. The blast  
blew off a large part of the roof.  
Probably this little prank cured  
the farmer of tying dynamite to  
hawks.

Man, the greatest predator of  
all in his sports of gunning and  
fishing, has shown little fairness  
or intelligence in his attitude to-  
wards birds of prey. A chicken-  
stealing hawk may do enough  
good — killing mice and rats —  
to make up many times for the  
loss of the chickens he kills.

The states are taking the  
bounties off hawks and merely  
keeping watch to see that they do  
not increase too greatly.

Excise-tax reduction limited to  
six categories and totaling no more  
than \$655,000,000 were recommended  
in behalf of the Administration by  
Secretary of the Treasury Snyder.  
Mr. Snyder urged that reduction of  
other excise taxes imposed during  
the war be delayed until the "bud-  
getary situation" improved.

## Ply Landscape Architect With Numerous Questions

LANGHORNE, Feb. 4 — A landscape architect from Newtown gave answers to numerous landscape and planting problems placed before him by Sorosis members Thursday afternoon. Stephenson Fletcher was the speaker who discussed upon unusual shrubs and trees prior to the question period.

Mr. Fletcher stressed the fact that "no matter what the landscape plan might be, there is a suitable plant or shrub to add to its appearance." Most of the time of his address was confined to information on evergreens, from the tiniest to the tallest, the small leaf and the broad leaf. "Why plant some of the common varieties, the things we see so much of, when there are unusual ones which are more desirable?" he queried.

The yews were stressed, these being listed as "fool-proof, not affected by disease, and easy to grow." Deciduous types such as forsythia and spirea were mentioned as desirable. Odd and unusual type of trees were considered, and many club members were surprised to learn there are a number of mimosa on the outskirts of Langhorne. It is Mr. Fletcher's belief that these were brought to this section from the south many years ago.

Foundation plantings, ailing plants, and other topics were brought to the well-informed guest during the question period.

The conservation and garden committee was in charge, Mrs. Thomas Dawson being chairman.

A covered dish luncheon preceded the session. There was arranged a collection of canned goods for the welfare department, this being for local distribution when the need arises. Such donations will also be received at the next meeting, as the supply has been drawn on extensively recently.

At the next meeting the international relations committee will present the program. Foreign-born from this area will speak, telling of customs of their countries. Tea tables will be set up with linens and china to represent the countries stressed, with sandwiches and tea cakes of types used in the respective countries.

The paint and sketch club of Sorosis is getting underway again with a new group, Mrs. Charles Paxson instructing. This group, the second of its kind, will exhibit items in April.

Mrs. Horace Townsend presided during business transaction.

**RICH'S SCORING GIVES WARRIORS A 49-37 VICTORY**

Frank Rich's outburst of scoring in the final period gave Bristol High its fourth straight Lower Bucks County triumph last night as the Warriors beat Bensalem, 49-37, on the home court.

Rich scored 10 points in the last five minutes of the tilt to raise his total of points for the night to 26. Bristol scored 15 points in the last session with Howard Grant and Condit getting a pair of goals each and "Vic" Cauti having a foul.

Until the last ditch scoring spree of the home team, it was a nip and tuck battle most of the night. The Owls had the lead the entire first half until the start of the third period when Rich's fielder put Bristol ahead.

The score was then deadlocked on six occasions with Bristol taking the lead four times and Bensalem twice. But the Owls' defense cracked completely in the final minutes of the game and with Rich doing a fine job of scoring, Bristol won easily.

It was "Johnny" Bowman's goal which started Bensalem off to a good lead as Oliver followed with a foul. Rich's pivot goal cut the lead to 1 point but Bob Whitfield scored a 3-pointer and the lead jumped to 6-3. Rich sunk a foul but Bader did the same for Bensalem. Barbetta dropped in a free shot and then followed with a beautiful twist to deadlock the score at 7-7. Smith's foul followed by a pivot field goal gave the visitors a 10-7 edge at the quarter.

Bob Whitfield's set shot and Bowman's foul increased the lead of Coach Messenger's boys to 13-7 at the start of the second period. Bader made one of two foul shots but "Vic" Cauti's foul and Rich's fielder shaved the lead to 14-10. Bowman and Rich scored double-deckers while Whitfield and Rich had four points. "Charlie" Rauch's tap-in cut the Bensalem lead to 17-15 while "Walt" Smith made it 18-15, with a foul. In the last two seconds, Rauch again scored on a tap-in to dig into the Bensalem edge at half-time.

Rich put Bristol in the lead for the first time with a third quarter goal. "Eddie" Oliver's two-pointer gave the Owls' the lead again. Rich tied the score with a foul. Cauti's foul put Bristol in front 21-20. Rich tied the score with a foul. Cauti's foul put Bristol in front 21-20. Rich tied the score with a foul. Cauti's foul put Bristol in front 21-20.

**NUMEROUS FEATURES AT "SPORTS NIGHT" AFFAIR**

Girls' basketball games, wrestling, and dancing will be the features of the "Sports Night" affair to be held tonight in the Bristol High school "gym," starting at 7:30 o'clock.

Miss Barbara Yerkes, girls' coach at Bristol High, has arranged for two of her teams to play two Alumnae sextets managed by Mrs. George (Biggs) Quigley.

Miss Yerkes has named the following players to her teams: Margaret Adams, Shirley Morrell, Doris Keers, Violet Heath, Marjorie Gill, Jacqueline Gilardi, Julia Zanni, Ethel Villas, Eleanor Timko, Betty Raub, Joan Braker, and Dorothy Bailey.

Mrs. Quigley will occupy a position on one of her teams and has also arranged for the following to represent the Alumnae: Mrs. Mary (Yates) McLean, Mrs. Margaret (Phipps) Hart, Mrs. Frances (DeGregorio) Hart, Mrs. Mary (Bell) Ryan, Mrs. Lillian (Bell) Frazier, the Misses Betty Gillies, Joan Stackhouse, Shirley Peet, Ann and Dorothy Pollard.

The games will be played with six minute quarters while the wrestling matches will also be of six minutes duration.

Athletic Director Harry McClister has arranged for the George School wrestlers to oppose the Bristol High wrestlers.

This will be the first introduction to the local fans to the Warriors' wrestling boys. Coach Harold Ferguson has been working diligently with a group of lads to mark the beginning of wrestling as a major sport.

Coach Ferguson has picked the following boys to represent Bristol on the wrestling squad: Charles Pollard, Dave Lewis, Thomas Pearson, Harold Tomlinson, William Moss, Joe DeFrancis, Robert Lewis, Norman Sorenson, William Gratz, Ted Shroust, John Greenlee, and Richard Smith.

Following the sports events, dancing by recorded music will be held.

**LUCENTI BREAKS JUNIOR VARSITY SCORING RECORD**

Frank Lucenti, a sophomore, broke the Junior Varsity record for points in a single game by cutting the cords for 13 field goals and four fouls for thirty points to lead the Bristol Junior Varsity team to an overwhelming victory over Bensalem Junior Varsity, 48-36, on the home floor last night.

Lucenti topped the previous record by 6 points. The old record was 24 points scored by Jack Fraser in 1945.

Lucenti was the whole show in the final quarter drive of the Bristol team as it scored 22 points in the session while holding Bensalem to 10.

At the finish of the third quarter the score was knotted at 27-27. Lucenti and Accardi took turns in scoring to raise the Bristol lead to 34-27. After Struble scored for the Owls Accardi scored four points to make the score, 38-29. Weaver made two points for Bensalem. Lucenti made the final six points for Bristol on field goals while "Jim" Gallagher also contributed a pair of twin-pointers.

Jack Weaver was high for the losing team with 16 points while "Bill" Padbury had 10.

**JUNIOR HIGH WINS OVER BENSALEM BY SCORE OF 49 TO 35**

Bristol Junior High won its ninth straight victory yesterday afternoon as it registered a 49-35 win over Bensalem Junior High on the home floor.

Coach "Ben" Watson's lads, leader of the Lower Bucks Junior High circuit, had little difficulty with the Junior Owls as they racked up a 14-5 lead in the first quarter with Gene Dugan scoring eight of the points for Bristol.

The locals' lead mounted to 25-9 at half-time as Bob Stroble scored 7 points and Sabatini had a pair of field goals.

Bristol's edge went down to 30-29 as the Bensalem boys did their best playing in the third session, outscoring the Junior Warriors, 11-5. Crowthers made 9 of the Owls' points in this session.

With Crosby leading the scorers, Bristol accounted for 19 points in the final session.

Stroble scored 13 points in the victory with Dugan ending up with ten.
